# S1 ISOLATION BASE

"The S1 Isolation Base was derived from our reference level M3 Isolation Base design. It has the same primary isolation stage combined with a new innovative plinth construction that achieves a high level of performance at a lower price point for our customers."

*Michael Latvis, Chief Engineer  
Harmonic Resolution Systems Inc.*

The **S1 Isolation Base** is a highly innovative design that eliminates noise revealing a new level of musical performance. It is manufactured from four different materials including a proprietary resonance control stage and billet machined aircraft quality aluminum trim and inlay. The S1 load range is matched to the component weight for maximum performance and can be modified in the future to preserve initial investment. This is a unique product that offers our customers industry leading performance at a fraction of the price of our reference level designs.

## S1 Isolation Base Physical Characteristics

Model	Dimensions (w x d x h)	
	in	cm
S1-1921	21 x 19 x 3	53.3 x 48.3 x 7.6
S1-1719	19 x 17 x 3	48.3 x 43.2 x 7.6

## S1 Isolation Base Load Ranges (independent of size)

Load Range	Supported Equipment Weight	
RD (Red)	0-45 lbs	0-20 kg
GRN (Green)	45-75 lbs	20-34 kg
BL (Blue)	75-135 lbs	34-61 kg

Wide range of custom solutions for component weights up to 400 lbs(180 kg)

**Broadband noise reduction system maximizes performance**

**Highly effective on wide range of surfaces and structures**

**Low profile compact design minimizes space requirements**

**Adjustable load ranges preserves initial investment**

**Integrates directly into all HRS audio stands without modification**

**Selection assistance from extensive HRS application library**

Harmonic Resolution Systems (HRS) industry leading performance is derived from decades of engineering experience with audio, defense, and aerospace systems. All products are manufactured in the US by skilled craftsmen using superior techniques, exotic finishes, and proprietary materials. HRS is dedicated to producing the finest audio products in the world.
